

Commercial Passenger Vehicle Service Data Specification (V3 2020)

COMMERCIAL
PASSENGER
VEHICLES
VICTORIA

- Please save the data extract as a comma-separated values (CSV) file.
- You can record/provide either GPS start/end data OR pick up/drop off address details. GPS is preferred. At least one is required.
- Distance refers to 'distance travelled on the road' and is currently optional.
- Refer to **CPV Service Data Samples V2 2020** for how to manage blank fields.
