

MPTP rules are changing

We're making things simpler for MPTP members.
Here's what you need to know.

When you take a trip with a booking service provider that offers MPTP services, CPVV will subsidise half the total cost of your trip* up to a maximum of \$60.

Example

1

You book a trip in a country town.

Fare	\$90.00
CPV levy recovery fee	\$ 1.10
Booking fee	\$ 3.00
Total cost	\$94.10

You pay **\$47.05** and CPVV pays **\$47.05**

Example

2

You book a trip from a metro location to the airport.

Fare	\$125.00
CPV levy recovery fee	\$ 1.10
Booking fee	\$ 2.10
Total cost	\$128.20

Old rules - CPVV paid **\$56.50**
(half of what the maximum fare would have been if you'd hailed the CPV or used a taxi rank)
Member paid **\$71.70**

New rules - CPVV pays half the total fare up to **\$60.00**

You pay **\$68.20** and CPVV pays **\$60.00**

Example

3

You take an unbooked trip in a large urban area.

Fare	\$ 8.00
CPV levy recovery fee	\$ 1.10
Late-night fee	\$ 3.40
Total cost	\$12.50

You pay **\$6.25** and CPVV pays **\$6.25**

If you have an annual limit, that limit stays the same.

MPTP members who have a CPVV-issued wheelchair/scooter endorsement on their taxi card:

- If you use a wheelchair accessible vehicle, we'll continue to pay the lifting fee to the service provider.
- If you use services using a non-wheelchair accessible vehicle and the driver loads/unloads your wheelchair into the vehicle, we'll pay a partial lifting fee to the service provider anywhere in Victoria.

* From 4 August to 16 December 2020 the subsidy will be 70% of the total cost of your trip.
