

# Commercial Passenger Vehicle Service Data Samples (V2 2020)

This is how your final report should look. Below examples demonstrate how to follow our data specification: **CPV Service Data Specification V2 2020**.

- Examples below include sample data, not actual data.
- You can record/provide either GPS start/end data OR pick up/drop off address details. GPS is preferred. At least one is required.
- Please include every field in the order below. If you are not supplying data for a certain field, just leave it blank.

## Example 1 - includes GPS coordinates and full address information (preferred)
